<https://github.com/imayushsawant> | <https://www.linkedin.com/in/sawant-ayush/>

Skills

Languages: C++, JavaScript, TypeScript, SQL

Frontend: React.js, Next.js, Tailwind CSS

Backend: Node.js, Express.js, Socket.IO, REST APIs

Databases & Messaging: PostgreSQL, MongoDB, Prisma, Drizzle ORM, Apache Kafka, KafkaJS

Tools & Concepts: Git, Docker, Postman, Vercel, Supabase, Data Structure and Algorithm, Object Oriented Programming, Database Design, Event-Driven Architecture

Education

Dr. D. Y. Patil Institute of Technology, Pimpri, Pune

Aug 2024 - Jun 2028

B.E. in Artificial Intelligence and Data Science

CGPA: 8.77/10

Relevant Coursework: Object Oriented Programming, Databases, Discrete Maths, Data Structures and Algorithms, Operating Systems, Advance Data Structures and Algorithms, Artificial Intelligence, Data Science

Project Work

- **Atten-Dance:** [Live Demo] Built and deployed a production attendance analytics platform using React, TypeScript, Express.js, PostgreSQL, Drizzle ORM, and Better Auth, with 15+ active users and 900+ attendance records in its first two month. Designed normalized relational data models and implemented Google OAuth, attendance analytics, skip-limit calculations, recovery planning, and scenario-based attendance prediction.
- **Polloye:**[Live Demo] Built and deployed a full-stack real-time quiz app (Next.js, TypeScript, PostgreSQL, Prisma, Socket.IO) supporting multi-user live sessions with timed questions and analytics. Deployed on Azure via Docker, PM2, and Caddy with authenticated WebSocket connections.
- **Axon [LLM Model Router]:** Developed a TypeScript SDK/npm package for intelligent LLM request routing across OpenAI, Anthropic, and Google Gemini using a two-stage classification pipeline, heuristic gating plus LLM-based prompt scoring with fallback handling and an automated eval harness for routing accuracy. Published to npm as axon-llmrouter.

Leadership & Activities

- **Social Media Manager – Zion Technical Fest, DY Patil Institute of Technology:** Created promotional content and managed social media posts for the college technical festival. Produced short-form video content that reached more than 300,000 views, helping increase visibility and engagement for the event.
- **Volunteer – My Prakriti Community Initiative:** Regularly participate in weekly plogging drives focused on environmental cleanliness by collecting waste while jogging in public spaces, contributing to community awareness about sustainable practices.
